# HEADTEACHER'S MESSAGE

## Quotation of the week

"Start by doing what's necessary, then do what's possible and suddenly you are doing the impossible" St Francis of Assisi

## Holy Week

Today is Maundy Thursday and this evening we have the Mass of the Lord's Supper when Jesus washed the feet of his disciples and gave us the example of Christian service to others. At the Last Supper Jesus understood what was ahead of him and shared the bread and wine with his disciples, an act we commemorate each time we take part in the Mass.

We teach this value of service to others in our school every day and we seek to model it in our work. Thanks to all that our amazing staff have given to the school community over the past term, a term of both remote and face to face learning. Staff will continue to be in school delivering intervention sessions over the Easter holidays and I am sure you will wish to join me in thanking them and wishing them a happy Easter and some rest and relaxation with friends and family during the coming fortnight.

## Easter Eggs for Whipps Cross

In what has become an annual Holy Family tradition staff and students have been donating Easter Eggs for our local hospital. Thanks to all who have donated. Mr Norman will deliver the eggs on our behalf on Good Friday.

## Testing for covid

Please continue to carry out the lateral flow tests at home and report the results of these over the Easter period. While cases continue to fall we cannot be complacent and it is really important that we continue to test ourselves regularly.

## Virtual pilgrimage

You'll have received a letter informing you about getting active and contributing to the virtual pilgrimage to Santiago de Compostela in Spain (the shrine of St James). The letter included the information about the Strava APp so if you can please get involved and encourage your son/daughter to be active over the holiday period.

## Teacher Assessed Grades

Yr 11 and Yr 13 students have been given information about when their tests will be after the Easter period and given some guidance about what to expect and what to focus their revision on. The interventions programme is there to support them with this and it is now important that they take time to revise and prepare as fully as they can for these assessments.

## Parents' surgery

Parents' surgery is currently a remote service. If you would like to speak to me please contact the office on either site and they will let me know that you would like me to call you on Thursday afternoon between 4pm and 5pm. You can also email me directly at anytime on [a.stone@holyfamily.waltham.sch.uk](mailto:a.stone@holyfamily.waltham.sch.uk)

## Reminder

We return from the Easter break on Monday 19th April at the usual time.

Please continue to remember us in your prayers and have a happy and holy Easter.

With best wishes,  
Dr Stone

HEADTEACHER'S

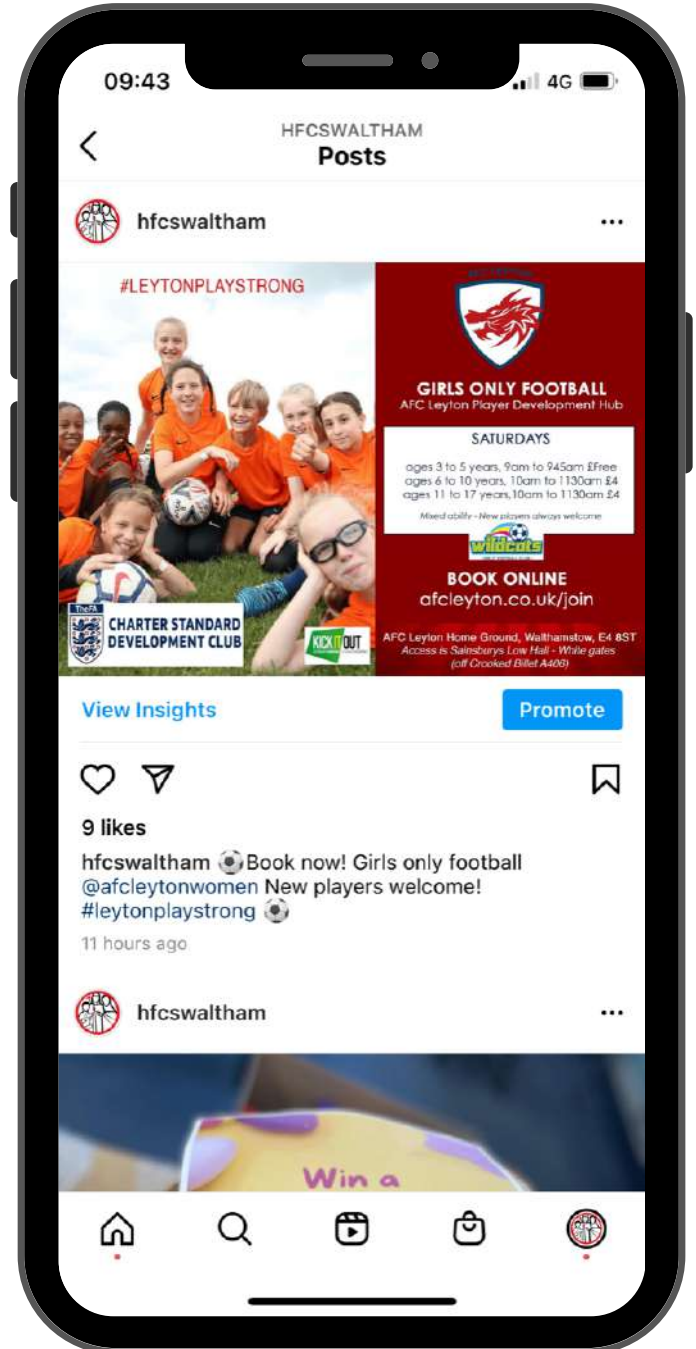

# COMMENDATIONS

This week we have a nomination from Ms Ozpalas and Mr Aziz. They nominate one of their Yr 7 tutor group, **Alessia Failla-Mulone** in 7I, who went above and beyond with her Easter egg donation. Alessia prepared a very special hamper for the children at Whipps Cross Hospital. Her basket was decorated with mini plastic eggs filled with chocolates, a Gnome toy, an Easter card, and (more) sweets and chocolates. Well done Alessia and thank you for your generosity!

# Chaplaincy Corner

Welcome to April! Let us hope that the glimpse of summer earlier in the week soon returns.

We are now coming to the end of Holy Week, the most important time for Christians throughout the world.

The summit of the Liturgical Year is the Easter Triduum – from the evening of Holy Thursday to the evening of Easter Sunday. Though chronologically three days, they are liturgically one day unfolding for us the unity of Christ's Paschal Mystery.

On Holy (or Maundy) Thursday we hear of the Last Supper and Christ's arrest that leads to the Crucifixion on Good Friday, through Holy Saturday, the day that Christ's body lay in the tomb. Then on Saturday, at sun down, the Church re-gathers to celebrate the final and most grand moment of the Triduum, the Resurrection of our Lord.

*Almighty Father,  
who sent your only Son Jesus Christ to  
save us from our sin,  
show me how I can honour you and bring  
glory to your name,  
by walking in the way of Jesus.  
Give me grace and mercy as I try and fail,  
guidance when I'm not sure which way to  
go,  
and wisdom to trust you in all things.  
For your love brings light and life to all  
who seek it.  
May I seek you evermore as I walk with you  
through this Holy Week and beyond.  
Amen.*

Now we are settled back in school, Peace Club will commence for Year 7s every Monday lunchtime in the Emmaus Room. This is an informal club with activities, crafts and prayer all centred in friendship.

“I've built stronger friendships and have formed many new relationships right from year 7. The club is a space of comfort and ease” Chloe Contaldo, Year 13 and Head Girl 2020 2021

*Wishing you all the blessings of Easter and have a safe holiday. Stay safe.  
Mrs Grierson, Chaplain*

# Easter Egg Collection

An Eggcellent response to our Easter Egg collection! Here are our Year 9 Liturgy Leaders holding just a few of the eggs that will be delivered to Whipps Cross hospital on Good Friday, eggsemplifying that the Holy Family spirit is alive and well.

# Donations

Over the lockdown period staff donated many items to share with families who needed them, items such as clothing, bedding, toys and household goods. With the items left over we will be donating these to the Congolese charity called Compassion Aid and is helping to build health centres in the Democratic Republic of Congo. Mr Norman's class have packed up the remaining items ready to go over Easter!

# The Easter Story

This week is Autism Awareness Week, which aims to celebrate and raise awareness of those living with autism.

Autism affects how people communicate and interact with the world, but it could be a superpower too! Read more about it by clicking [here](#).

### **Facts about Autism**

- Autism (also known as ASD) is a lifelong developmental disability which affects how people communicate and interact with the world. In the UK, 1 in 100 children are likely to have autism. Boys are nearly 5 times more likely than girls to be diagnosed with autism.
- The term stems from the Greek word autos meaning "self", autism literally means "alone".
- Parents do not and cannot cause autism spectrum disorder. Although the multiple causes of ASD are not known, it is known that parental behavior before, during and after pregnancy does not cause ASD.
- Extensive studies have firmly concluded that there is no link between childhood vaccinations and autism
- If one identical twin has autism spectrum disorder, there is a 60-96% chance the other twin will have some form of ASD.
- Hyperlexia, the ability to read above one's age or grade level in school, commonly accompanies autism spectrum disorder.
- Individuals with autism are great with paying attention to details, being thorough and accurate. The deep knowledge on topics help individuals with autism to be experts in what they do.
- Famous people with autism include Albert Einstein, Sir Anthony Hopkins, Steve Jobs, Daryl Hannah, Greta Thunberg and Dan Aykroyd to name just a few!

Have you seen the new redesign of the Art Corridor and new Classroom Displays? Ms Malcolm designed the corridor and the whole art department painted it. Also thanks to the facilities team who gave the classrooms a much needed lick of white paint. The whole art Department Art Team Mr Madden, Ms Javaid, Ms Hammond and Ms Malcolm have all chipped in to give the Art Block a flair of creative displays and splashes of shapes colour.

WE ASKED YEAR 9 WHAT DOES EASTER MEAN TO THEM...

ALEESHA LOATES 9S

WHAT IS EASTER TO ME?

EASTER IS A TIME I CELEBRATE WITH MY FAMILY. WE NORMALLY WOULD GO TO MY NANS HOUSE TO MEET HER AND MEET OTHER FAMILY MEMBERS TOO. WE WOULD GIVE EACHOTHER CHOCOLATE EGGS AND CATCH UP. THEN MY NAN WOULD MAKE THE MOST DELICIOUS SUNDAY ROAST. SADLY WE HAVEN'T BEEN ABLE TO DO THAT FOR TWO YEARS NOW. SO INSTEAD WE ARE GOING TO CALL THEM AND I WILL CELEBRATE WITH MY MUM, DAD AND BROTHER INSTEAD. IT WILL DEFINITELY BE DIFFERENT BUT THE MOST IMPORTANT THING IS THAT WE ARE CELEBRATING JESUS' LIFE.

A PRAYER BY GIULIA DISTEFANO 9R

DEAR HEAVENLY FATHER,

YOU DEFEATED DEATH TO SHOW US ALL THAT NOTHING IS TOO MUCH FOR THE LORD. IF YOU CAN OVERCOME THIS, SHOW US THE PATH THAT EACH AND EVERYONE ONE OF US SHOULD TAKE. SAVE US FROM PAIN, TEMPTATION, ANGER AND FEAR. SO THAT WE MAY SURROUND OURSELVES WITH THE RIGHT PEOPLE WHO CARE AND LOVE US. NO MATTER WHAT HAS HAPPENED, HELP US SEE WHAT IS RIGHT. SO THAT WE MAY ALSO GIVE INSTEAD OF RECEIVING DURING THIS EASTER. GIVE US LIGHT IN ALL OUR WORRIES SO THAT WE MAY BECOME GRATEFUL AND HOPEFUL PEOPLE. EVEN THOUGH WE HAVE LOST AND SUFFERED, MAY THE BRIGHT FUTURE OF WHAT IS TO COME, WIPE AWAY OUR SORROW IN OUR HEARTS TO WHAT WILL BE OUR GREAT SMILES.

AMEN.

# CLASSROOM CONSCIOUSNESS

A reflection from the Year 9 to  
Year 11 anti-racism club on the  
medieval Kingdom of Benin.  
The kingdom would today be  
located in Nigeria.

## The Kingdom of Benin by Brenda Mana (Y11A) – 10 minute poem

The Kingdom of Benin

A place built afar

But, which holds power from within,

A nation in which exported fine prize,

And endeavoured to be a nation who could walk with their own pride

Unlike what history has granted us permission to see,

The canvas in which is painted before us ,

Holds a place ready to show his very own story.

From the abundance in materials ,

To the distinguishment of class,

Wouldn't you say,

We see a story of Africa which is,

"Civilised" at last.

Not by whom, we think,

But by those who nurtured , cared for their home,

Their land by themselves, as humans, people,

As individuals....

Something we love to see,

Benin city,

that once remained a mystery,

Has become a revel of a child's story,

As a result of an unlocked,

Unwarped , truthful relay of his-story,

For hundreds of years ,

We have been marked by scars,

Branded by chains and slave names ,

Halted from being able to reach the stars ,

But since then, now and forevermore,

The kingdom of Benin,

Is able to mark themselves

As a mark of pride ,

Much to the colonials demise

As a mark of freedom ,

As a mark of all they had lost,

And all they had fought for,

so hard to re-win,

The Kingdom of Benin

A place built afar

But which allows us to walk with pride

Outside and most importantly from within

# CLASSROOM CONSCIOUSNESS

A reflection from the Year 9 to Year 11 anti-racism club on the medieval Kingdom of Kush (also known as Nubia). The kingdom would today be located in Sudan.

## My Opinion by Maria Shotikare – 10 minute thoughts

Who would have thought that women were so respected in the past and how much that has drastically changed over the years...for the worse. To think that the most paramount, most worshipped God at that time was a woman named Isis. To think that women were given as much power as a king and that they were the backbone of powerful kingdoms is just amazing. I honestly thought that throughout history, women were seen as inferior to men, and were seen as people who are there to stay at home but today I found out that I was wrong. It also made me wonder...why? Just why did everything have to go downhill from there - from worshipping female Gods to making females feel worthless. This lesson has shown me that there was a time that women could lead their own army and to stand in the front lines of battle, that many women today are out there showing that there are still powerful women today and it just gives me hope.

## Nubian Queen by Brenda Mana – 10 minute poem

Nubian Queen,  
The beginnings of a new being queen  
A woman laced in prowess  
Encased from head to toe in jewels  
Holding the utmost grace and screaming the ambiance "goddess"

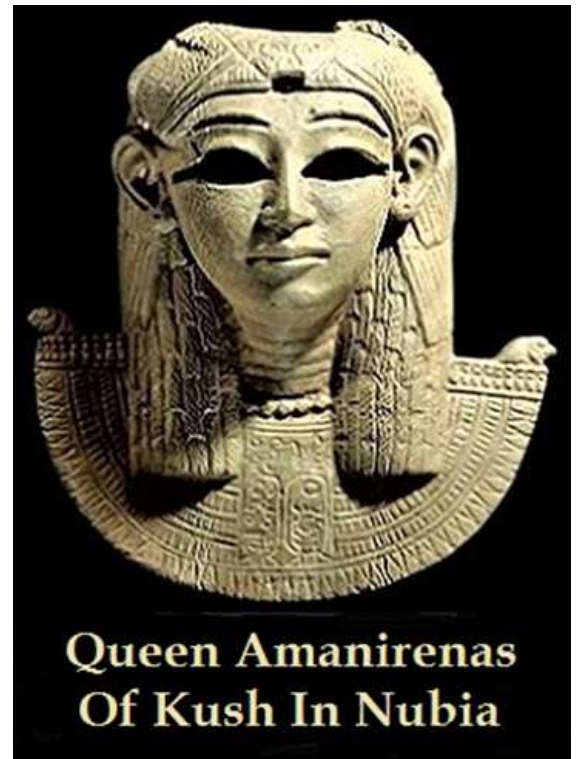

The foundations of nations  
Holding together the foundation of a nation  
Leaving us to ponder all their might  
All the stories we've been told about women being weak  
,black women being weak  
Crumbles away, with the sense of a nubian Queen in sight

The first Kendeke is believed to be Makeda  
But her name alone will be forgotten and ignored  
Unless we unravel her veil  
And reveal her truths,  
Hidden in the depths of history's fraud.

For hundreds and thousands of years  
The novelty of a queen like Makeda  
Has been hidden and scarce for us to hear

This is solely a societal movement done out of fear,  
A heavy restraint on the black community ,  
As a sense of power and importance has been found to be connecting with us and being held to our hearts so dear,

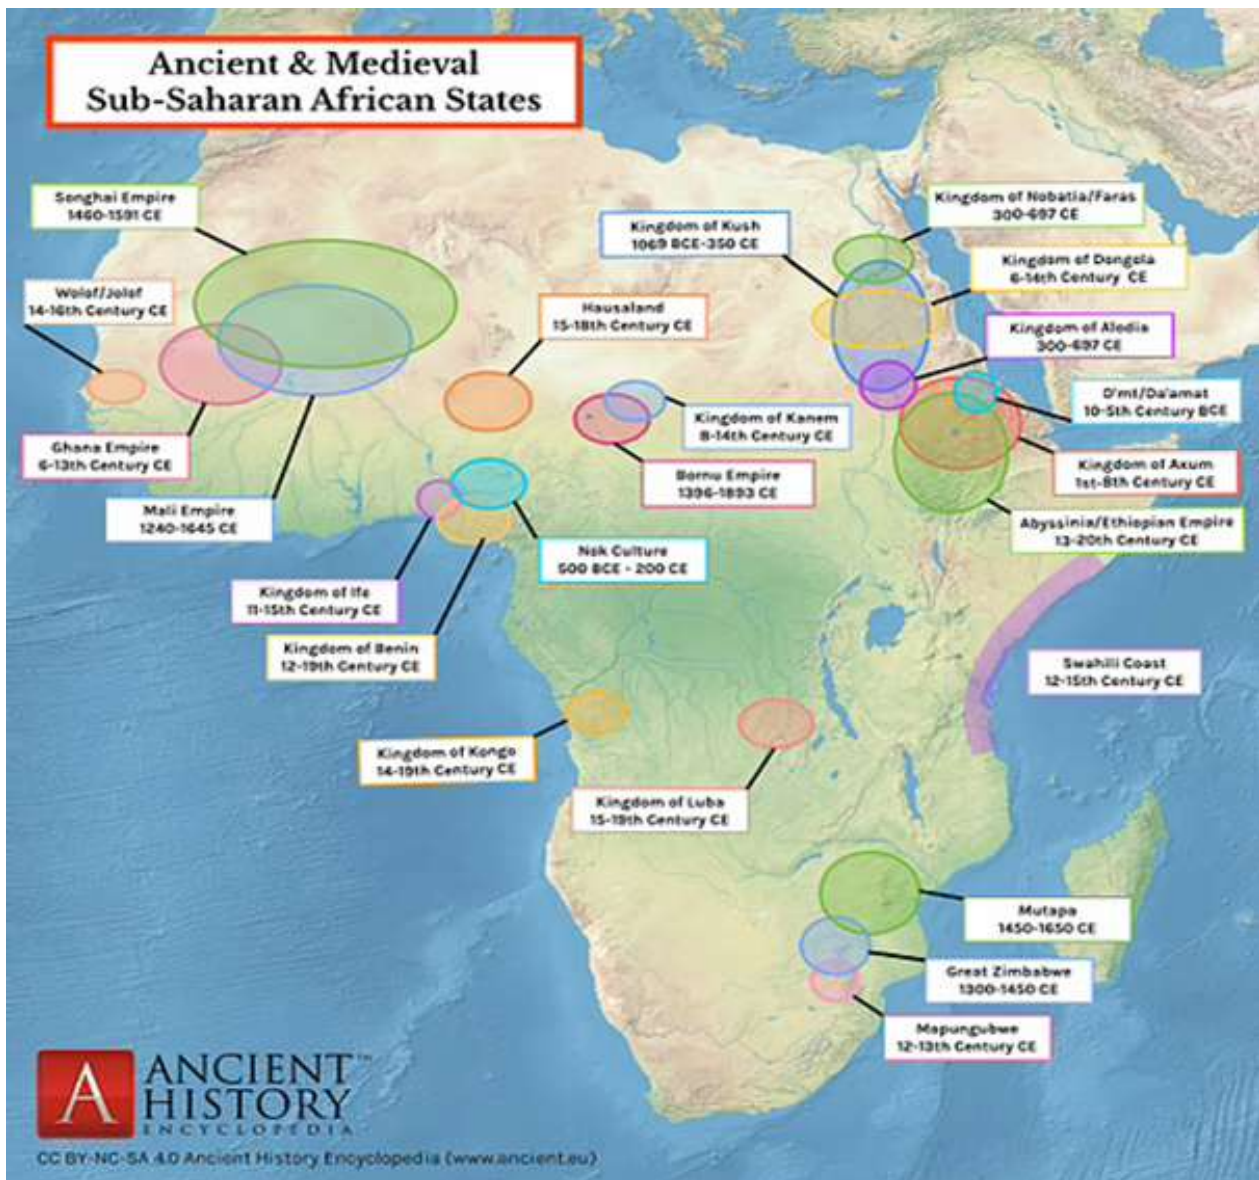

In order to keep us wrapped around their diminishing plate,  
Nubian Queens  
Our new being queens  
Need to be hidden...  
Forgotten...  
In order to keep us locked in our "chains"  
Societal restraints  
Away from being brave  
To keep us  
To hold us in "our place"

# CLASSROOM CONSCIOUSNESS

Informed by Cameron Hinds

It is so interesting to see women (especially black women) in places of power despite most ancient civilisations being predominantly controlled by men. It is very satisfying to see black societies during history and how that contributes to black culture and black societies in general.
